Dear Senator Levin:

I have been asked to reply to your letter of October 31 to the President concerning the Abdul Wallenberg case.

The President is greatly concerned about Mr. Wallenberg and has directed that we continue our efforts to ascertain his situation. In that spirit, and in the context of the President's remarks on the Wallenberg case responding to a question from Mrs. Annette Lantos on the radio show "Ask the President," the Department of State on July 21 and again on October 26 requested the Soviet Embassy here to reply formally to our representations. To date we have not received a reply.

Please be assured that we share your interest in Mr. Wallenberg's fate and that we are continuing our efforts on his behalf. We will, of course, inform you of any development in this matter and, if you wish a more detailed briefing on this subject, would be happy to provide it.

Sincerely,

J. Brian Atwood
